### Paul Miller '75

---

After earning a degree in biochemistry from UW-Madison, Paul went on to attend and graduate from the Marquette Dental school in 1981. Since then, Paul has been working as a Dentist and currently resides in Florida. Outside of his personal practice, Paul has been a significant contributor to

many different dental associations. Paul has been the President of the West Pasco Dental Association and the West Coast District Dental Association and served as Treasurer of the latter. Paul is a past Trustee and Treasurer of the Florida Dental Association, and was the Chair of the Florida Audit Committee, the Florida Financial Advisory Council and the American Dental Association's Council on Insurance Programs. Currently, Paul sits as the Treasurer of the West Pasco Dental Association, International College of Dentists Florida Section and the Florida Section of the American College of Dentists. He is also a current delegate to the American Dental Association.

Paul's dedication and hard work has not gone unnoticed, earning numerous service and leadership awards from the Florida Dental Association. Paul also made Fellow for the American College of Dentists, the International College of Dentists, and the Pierre Fauchard Academy, an international honor dental organization. Paul was also named the Dentist of the Year for Florida in 2015 and was awarded the Life Time Achievement award from The West Coast District Dental Association.

Paul has remained dedicated to Lambda and TKE as well, attending many homecoming celebrations throughout the years at the chapter house, and contributing to the TKE educational and building funds.

### Tom Hille '76

---

Post-graduation, Tom began his career at IBM where he worked for nearly a decade as a Marketing Representative & Market Manager. Here, Tom was an honoree of IBM's exclusive Hundred Percent Club, reserved for salesmen who consistently meet and exceed their annual quotas. After

eight and a half years at IBM, Tom decided it was time for change and joined CyCare systems as a Marketing Representative, during his three and half years at CycCare Systems, Tom was named both the Midwest salesperson of the year and Corporate Salesperson of the Year.

After finding a significant amount of success in sales, Tom attended the UW-Madison Graduate School of Business and began building a personal financial services practice. Today his team of five (three advisors and two support staff) manages more than \$250 million dollars in client assets and generates in excess of \$2.3 million in annual revenues. Tom has been named a Five Star Wealth Manager by Milwaukee Magazine each year since its inception in 2000, one of only 29 Metro Milwaukee financial advisors named to the list each year since the inception of the award. He also has been named to the Ameriprise Financial Circle of Success multiple times, a feat few have achieved.

As a Teke, Tom has served as a board member for the Lambda Building Corporation, served as the Master of Ceremonies for the TKE Alumni Hall of Fame, and coordinated activities for the 100th celebration of Lambda.

### Todd D. Stollberg '76

After pledging Lambda in 1976, Todd remained an active, dedicated undergraduate brother. Leading by example, Todd served as the House Manager of the Teke house, Homecoming Co-Chair (with Mark Olson) where Lambda swept the competition, and as Prytanis in 1977 during a critical leadership transition. Todd also met his wife of 42 years Leslee (Brandenburg) as a Teke on a blind date to a Kappa Kappa Gamma formal

in Madison. Since, Todd held a limited role offering advice on the "Campaign for the Second Century".

After graduating from Wisconsin in 1979, Todd joined Procter & Gamble working on various teams and assignments over 25 years in sales, marketing, HR, business development, mergers, acquisitions & licensing across all market development organizations and customer channels. Todd led various brand initiatives within the soap sector, paper sector, baby care, & FemCare while generating record sales for P&G. In 2003, Todd left P&G to become a Managing Partner at TDS Partners LLC, a consultancy practice centered on co-creating seen and unseen value for its clients. Additionally, Todd worked at Sonoco Products as the Vice President & General Manager of Business Development. Here, Todd had the opportunity to lead the revamping of Sonoco's development processes to position Sonoco to grow yearly revenue by \$1-3 Billion by 2020. For his hard work and dedication, Brother Stollberg has been awarded numerous awards due to his outstanding results and leadership by both P&G and Sonoco.

Todd has also spent a significant amount of his time volunteering for non-profit organizations. An ordained Elder in the Presbyterian Church of America, Todd has served on 3 Elder Boards with 3 different churches and was instrumental in leading multi-million dollar development efforts to secure land and buildings for 2 churches in the Cincinnati area. Todd also serves as a permanent board member of Mars Hill Academy, a K-12 Christian and Classical school and served as the Parent's Board Co-Chair of Hillsdale College, hosting regional leadership and development conferences. Brother Stollberg also spent 3 years as a visiting Professor of Marketing at Miami University's Farmer School of Business, where he was named the 2017 Outstanding Faculty Member.

Todd has 3 grown adult children and 10 grandchildren and currently resides in the Houston area.

### Bob Yeoman '76

---

For over 40 years, Bob has dedicated his career to building Yeoman Machinery Corporation from the ground up. Started in 1978, with a goal to become a stocking dealer in new and used industrial metalworking and fabrication machinery to serve a cross section of American industry.

Since, Yeoman Machinery has grown to become one of the largest stocking dealers of metalworking machinery in the midwest. Yeoman Machinery has over 35,000 square feet of warehouse space located in Elkhart, Indiana. With over 500 machines in their current inventory, Yeoman Machinery has bought and sold machinery throughout the United States, Mexico, Europe and Asia.

Bob has been very involved with a myriad of committees across both the Machinery Dealers National Association and Association of Machinery and Equipment Appraisers throughout his career. Outside of his professional career, Bob has become heavily involved with several nonprofit and volunteer organizations. Brother Yeoman has spent time volunteering for the Elkhart County Humane Society, Gateway Mile Autofest, the Northern Indiana Tennis Association, and Rotary International.

After many years away from the Lambda chapter, Bob returned to TKE during the 100th year celebration and since has gotten back involved with the chapter. Currently, Bob serves on the Educational Foundation Board of Directors, and the Lambda Housing Corporation as Vice President.

Bob has one daughter Shannon, and three grandchildren, Ashley, Addison, & Ava.

### Michael Brink '98

---

Despite graduating from UW-Madison in 2001, Michael never left TKE or Lambda. Michael has served as a Province Advisor for both Northern California and Minnesota and Grand Province Advisor for Northern California. Additionally, Michael has dedicated 15 years serving on the housing

and capital campaign committees of the Lambda Chapter Housing Board. Michael has also worked on the TKE HQ staff as a housing advisor, and is the founder and former President of the Lambda Chapter of TKE Foundation where he currently sits as a board member.

Professionally, Michael is a development consultant currently working with Uncommon Bond in North Carolina. He is in the process of creating a development plan for this new organization that supports special needs communities in Raleigh-Durham. Previously, he worked as a development specialist at Fraser, Minnesota's largest provider of autism and early childhood mental health services. There, Michael built relationships with major donors and major donor prospects increasing annual giving. He also was instrumental in significantly expanding Fraser's list of business and corporate partners.
